Undergraduate Research and Visitation Day will allow Juniors and Seniors within a few hours driving distance from Rochester to:
• Find out what you can be with a PhD!
• Meet other undergraduate students interested in the biomedical, translational, public health and/or biostatistical sciences.
• Meet and talk science with current SMD faculty and graduate students.
• Present posters of their research to the SMD community.
• Tour the SMD, research labs and work spaces.
• Learn about the graduate programs available at the SMD.
