The National Science Foundation

**Navigating the NSF**

Tuesday, April 30, 7:00pm  
McConnell B05

- *What is it like to work at the National Science Foundation?*

- *What does NSF fund and how are funding decisions made?*

This will be a broad ranging discussion of the National Science Foundation that will include information about new programs and initiatives at the Foundation and how to best participate in them. A brief question and answer period will follow.
