The Five College Program in Culture, Health, and Science (CHS) is a certificate program which allows students to explore human health, disease and healing from an interdisciplinary perspective. Come to the information session to learn more about the vision, events, and requirements of the certificate program. There will be CHS advisors and students to talk about the program and answer any questions. Current and prospective CHS students welcome. Cookies will be served!

Information Session
March 21, 4:30pm
Porter Lounge, Porter Hall, Mount Holyoke College
